Dear Susi, Jack and Mark,

We are grateful for Dimond Bros.' recent gift of \$694 raised from Jeans Day. Thank you.

This fiscal year marks our 25th anniversary of service to the Champaign-Urbana community. The Nursery was started by a group of individuals who saw a need and worked to provide a solution – offering a safe and loving environment for children whose families are in crisis. Our mission is even more important today than it was when the Nursery began.

I'd like to share one of our stories with you. *Sally's father left after a scary fight with her mother. The last thing Sally wanted was to be left at Crisis Nursery with strangers and to see her mommy walk out the door. Knowing where Sally was at emotionally, the crisis care staff took a picture of Sally with her mother to start a very slow and easy transition into the Nursery environment. After saying a difficult goodbye, they took her to the kitchen where it was quiet and the surroundings familiar. She was given a cup of milk and was allowed to pick out her favorite snack. The simple nurturing interaction between Sally and crisis care staff quickly reassured Sally that she was in a safe place. After her much needed snack with her new friend, Sally was ready to meet some of the other children.*

Your tax-free donation reminds me of how much we depend on your generosity and support to accomplish our mission and keep our doors open. Thank you for being a partner with us. Please feel free to come by to see us or visit our website at www.crisisnursery.net.

Cordially,

Stephanie Record
